Welcome to Ferris State Football!
Throughout the past decade, the Gridiron Club has provided the Bulldog Football program with the resources to compete every Saturday during the fall. We face tremendous challenges each week in what has become the strongest Division II football conference in America.

Our football program needs people like you, who are willing to be a part of our Club as we prepare for these challenges. The financial support and encouragement of Gridiron Club members continues to inspire coaches and student-athletes from year to year. It’s this commitment from tremendous individuals like you that keeps alive the strong tradition of Ferris State Football.

I want to thank you for considering becoming a part of this group. I welcome your ideas and suggestions to help us strengthen the program financially. Together the future is bright for Bulldog Football. You do make a positive difference in the lives of our student-athletes!

Go BULLDOGS!
Jeff Pierce, Head Coach
